Product Details

FEATURES

Commercial exclusive brand
Available exclusively to
commercial companies

Flame failure safety device

Cast iron pan supports

Electronic under knob ignition

Natural gas

Optional LPG

Double Ring Wok Burner

BENEFITS

Double Ring Wok Burner

A double ring high output burner located at the front left of the cooktop produces high heat for wok cooking, intense frying or fast heating of large boiling pots.

Cast iron pan supports

Designer cast iron pan supports that enhance the hob and create a professional appearance in your kitchen.

Rotary controls

Easy to use rotary knobs not only deliver precise adjustment of the flame intensity but also easy ignition by simply depressing the knob.

Flame Failure Safety Device

If the flame of your gas burner is accidentally extinguished, the flame failure device will switch off the gas supply to ensure the utmost safety.

Electronic under knob ignition

Simple and effective individual burner ignition.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
