Sovereign Trident

The **Sovereign Trident** connector matched suite combines the Trident 4.5 litre pan and the Sovereign cistern in an integrated system comprising of cistern with high performance outlet valve, seat and plastic connector plate, which conceals the flush pipe and water connection.

- Pans:** **Trident** 4.5 litre full flush washdown pan with open flushing rim.
- Traps:** S or P-trap unvented only.
- Inlet:** 50mm back inlet 40mm key seal is available if required.
- Cisterns:** **Sovereign** cistern (wall fix version) – has a free fitting lid and is suitable for domestic and light commercial applications.
Vandal Resistant Conversion Kit – A simple to install conversion is available for the standard mechanism to lock lid onto the cistern, recommended for use in heavy use commercial areas. Code No.750109.
- Inlet Valve** **Standard Bottom Entry Cistern** – available as right hand inlet which is interchangeable and incorporates Quietflow 2 inlet valve. Internal overflow only.
- Overflow:** **Important: Working pressure minimum 30kPa to maximum 1000kPa floor pressure. Rain water tank compliant.**
- Seat and Connector Plate:** Available in three toilet seat coupling kit options - **Trident** standard, **Uniseat**, **Caravelle** standard or **Caravelle** soft close toilet seat.
- Colours:** White (W) and Ivory (I)
- Installation:** The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
