### BENEFITS

---

#### Understanding new capacity and energy ratings

From the 15th August 2021, the way refrigerators are tested to calculate Energy Star Ratings and energy consumption have changed. This means that the capacity and energy rating calculations have changed, however the product remains unchanged. Be sure to check all new ratings to ensure that your comparisons are consistent with the new standards.

---

#### Humidity Controlled Crisper

More optimum environment for preserving fruit and vegetables, as well as having a removable crisper front for easy cleaning

---

#### Adjustable solutions with FlexStor™

As your family changes and grows, so do the requirements of your fridge. With FlexStor™ you enjoy the convenience of being able to easily change the configuration, whatever your needs. Adjust the height and position of the door bins to fit in large and smaller items and arrange your fridge your way.

---

#### Easy to clean with glass shelves

Glass shelves improve visibility and are easy to clean
