BENEFITS

Understanding new capacity and energy ratings
 From the 15th August 2021, the way refrigerators are tested to calculate Energy Star Ratings and energy consumption have changed. This means that the capacity and energy rating calculations have changed, however the product remains unchanged. Be sure to check all new ratings to ensure that your comparisons are consistent with the new standards.

Convenient storage solution with FlexStor
 Easily change the configuration of your fridge door to suit you.

Fill your fridge the way you want to
 The large fridge interior is big enough for even the largest items

Easy access
 The pocket handles allow easy access and make cleaning a breeze.

Easy to clean
 With handy features like SpillSafe glass shelves, easy to clean liner & fewer nooks and crannies makes the fridge a breeze to clean.
