

Model RBA8847-156

Materials & Features

Unit is highly vandal resistant, front fixed and is manufactured from stainless steel. External surface is satin finish. Internal bowl is matte finish for hygiene, easy cleaning and scale resistance. The integrated seat is bright polished for hygiene and comfort. Laser-cut, flush-fitting access panels on both sides of the pan are fixed with security screws. Suitable for S-Trap installations where waste connection is through the floor. Also available in coloured EnviroGlaze® (e.g. white) finish on external surfaces upon request.
