PRODUCT DESCRIPTION

- quality 304 grade stainless steel and matte black available
- 5 speed touch sensitive controls, with remote
- 10 minute auto shut off
- GU10 LED lights with a lifetime warranty
- dishwasher safe, commercial grade baffles
- 200mm ducting is required and is sold separately
- 3 Year rangehood Warranty

TECHNICAL DATA

- **CL8912** dimensions: (W x D) 1200 x 800 mm, 6 x baffles, 4 x LED lights
- **CL8915** dimensions: (W x D) 1500 x 800 mm, 8 x baffles, 4 x LED lights

INTERNAL MOTOR

- Twin internal motors
- Airflow - 2500m³/h

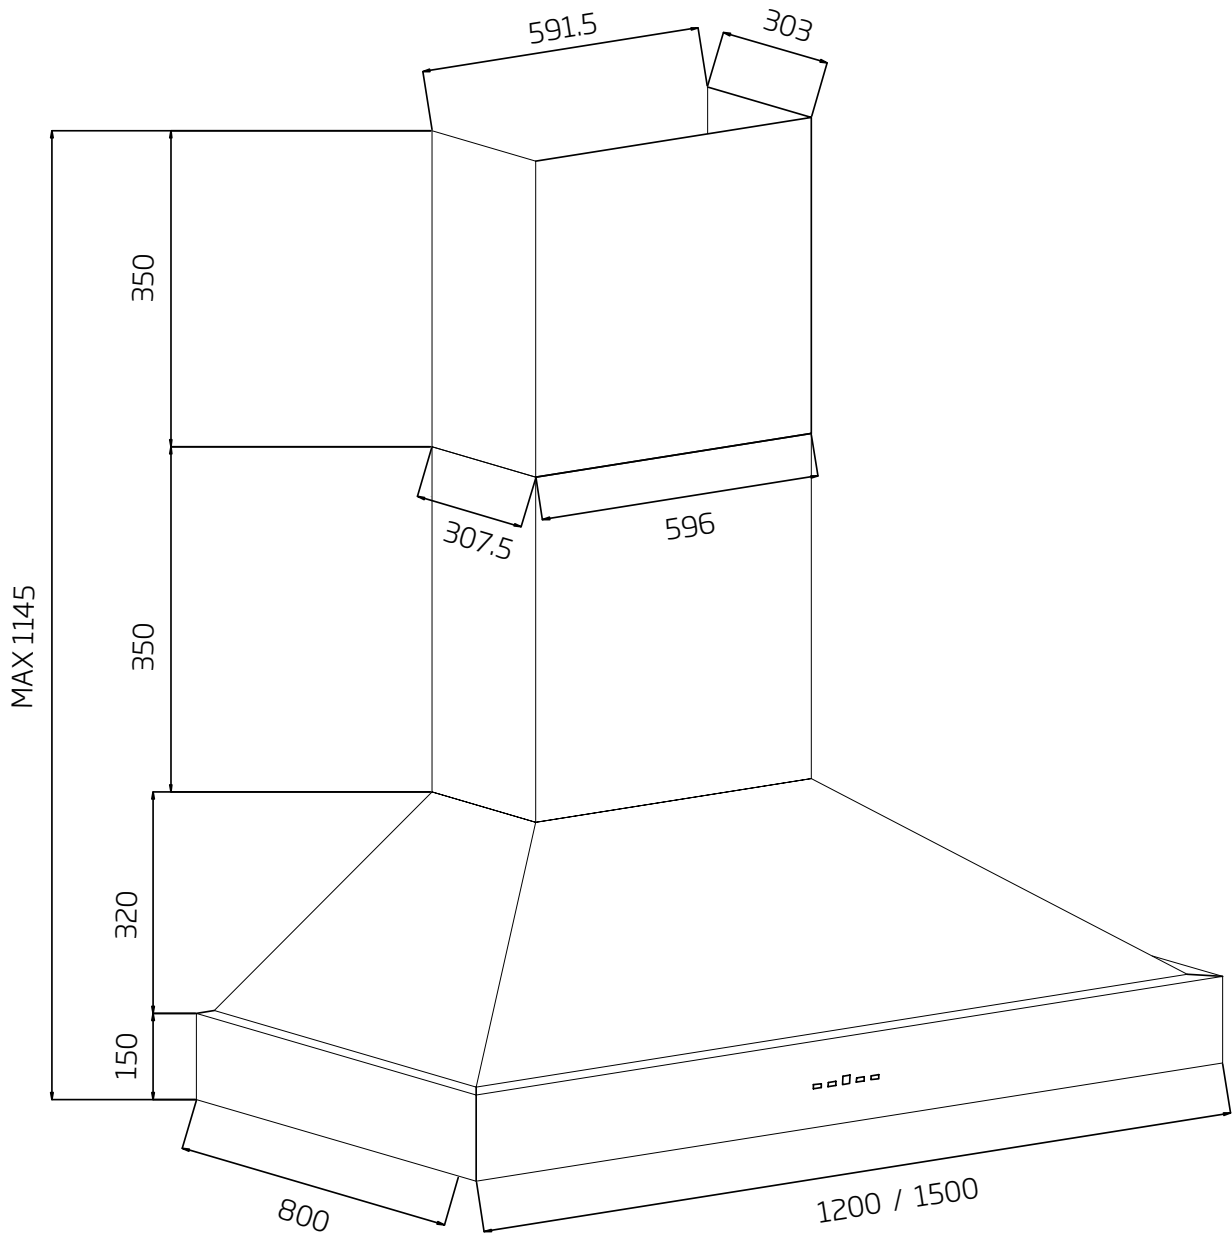

The incredibly powerful BBQ wallmount rangehood comes with twin in-built motors providing 2500 m³/hr airflow.

It is constructed with the highest quality stainless steel and finished in matte black or stainless steel to make a statement in any alfresco kitchen design. The wide pyramid design ensures a large extraction zone to effectively capture smoke and airborne grease over any barbecue.

Complete with 5 extraction speeds, touch and remote control, energy-efficient wide-angle LED lighting, dishwasher-safe stainless steel baffles and automatic shut-off function for peace of mind.

CL8912, CL8915, CL8912B, CL8915B // 120cm & 150cm // ON-BOARD MOTOR

Note: 200mm ducting is required and is sold separately.

Model: CL8912, CL8912B, CL8915, CL8915B

Feeding Voltage: 220-240V 50Hz

Max Lamp Power: 4 x 3W

ILCOS Code: DRR-3-H-GU10-51/55
