// CL7372BS (120cm)

These BBQ wallmount rangehood represents the best of durability and excellence for your alfresco cooking environment.

Constructed with high grade 304 stainless steel, this stately BBQ wallmount rangehood makes a dramatic design statement with clean, geometric lines. It is powered by Schweigen's German-engineered Isodrive® motor technology to deal with smoke, odours and airborne grease from high-intensity cooking swiftly and silently.
