### BENEFITS

---

#### Fan forced for even cooking

When it comes to cooking, one of the biggest is even heat distribution over your dishes. By using fan forced cooking you are able to create an even cooking result.

#### Grill separately for smooth entertaining

The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

---

#### Clean your shelf supports with ease

When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

#### Keep it on time

A contemporary digital programmable clock with 3 simple-to-operate buttons. You can automatically set the oven to turn on or off, or use the timer to keep track of your bake times.

---

#### Flexibility and Convenience

With the choice of right or left side opening you are able to flexibly choose an elevated cooker that suits your kitchen design.

#### Know when it is hot

The hot surface indicator allows you to clearly see when your cooking zones are on or still retaining residual heat, allowing you to keep your family safe

---

#### Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
