

Care 400 Connector Suite

4.5/3 litre Vitreous China Connector Toilet Suite.

Dual Flush Toilet Suite for accessible application installations complying to the WC pan requirements to NZS4121.

A pedestal type 4.5/3 litre dual flush **400 Care** toilet suite installation designed to provide a raised seat height of between 460-480mm for accessible applications . The pan features a concealed trap which facilitates easy cleaning. The versatility of the **Care 400** suite makes it ideal for use by both the ambulant people with disabilities and wheelchair users including wheeled commode chairs.

Important: Further reference must be made to NZS4121 with current amendments to determine circulation space, grabrail and installation requirements. The dimensions in this sheet may change with amendments to the standard.

Pan: Trident Care Pan with concealed trap, 4.5 litre full flush washdown type.

Traps: S trap, unvented only.

Inlet: 50mm back inlet.

Cisterns: Sovereign Cistern (wall fix version) with Care raised chrome plated metal push button.
