Features:	• European Design Solid Marble Wash Basin • Integrated Soap Dish • Steel Black Frame • Matt White Drawer • Multi-wood Premium Joinery • High-quality Steel Drawer Sides • Luxury Silent Soft-function Drawer Mechanism
Care and Maintenance:	Marble is a natural stone and must be cleaned with care. Remove dust from the surface using a soft dry microfibre or lintfree cloth. Using a soft damp cloth and a water-based cleaner, PH-neutral stone cleaner or a mild soap diluted in warm water, wipe down the entire marble counter-top. Marble is prone to water spots so always dry immediately when wet. Do not use anything abrasive, such as steel wool or scourers, or acidic, such as vinegar, windex, bleach, ammonia, as these can damage the marble. It is recommended to apply a marble sealant upon installation, and reapply annually.
Installation Instructions:	Suitable for wall plumbing installation only. It is recommended to apply a sealant on the marble upon installation.
