

130 bottle\* single zone cellaring cabinet for red and white wines. \*based on a Bordeaux shaped bottle

## Product Details

### FEATURES

---

Reversible door

Digital temperature display

LED internal lighting

Slide-out wooden shelves

---

Winter function heating system

Visual alarm

---

### BENEFITS

---

#### Stable Temperature

Our wine cabinets maintain a stable temperature to keep your wine in perfect cellaring conditions. This is thanks to triple glazed glass, insulated side panels and interactions between a compressor and thermostat. (Digital display varies by model)

#### UV Protected Dark Storage Area

UV rays negatively impact the quality of your wine. Our cabinets eliminate this threat by incorporating UV treated tinted glass doors, dark interiors and dimmed internal LED lights.

---

#### No Vibration

To protect the storage life and quality of your wine, our cabinets have been designed to create a vibration proof environment by including an externally housed compressor, rubber shock absorbers and vibration absorbing wooden shelves.

---

## Specifications

### WINE CELLARS

|                                 |                                   |

# Dimensions

**NOTE: Illustrations not to scale.**  
All dimensions in millimetres.

\*Minimum 10mm required whether proud-fit or flush-fit, however 30mm is recommended on the opening edge for easy finger grip access when installed flush-fit.

For complete installation instructions, please refer to the user manual for this product.

**NOTE:** If a vertical vent space ( $V_x$ ) of 100mm is provided, then a minimum top ventilation gap ( $T_x$ ) of 50mm is sufficient, but otherwise minimum  $T_x$  of 100mm is required.

|                    | Width | Depth | Height       |
|--------------------|-------|-------|--------------|
| Product dimensions | 595   | 680   | 1400         |
| Installation       | 635   | 710   | 1400 + $T_x$ |

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
